Dear Mr Yoshida,

**Contribution from the Japan Private Kindergarten Association
in support of WHO's emergency health activities in Haiti**

It is with great pleasure that I refer to your letter dated 19 March 2010, informing us that the Japan Private Kindergarten Association is contributing the total amount of JPY 54 666 186 to support WHO's emergency health activities in response to the earthquake that struck Haiti in January 2010.

We are deeply impressed by the firm commitment of the members of the Japan Private Kindergarten Association to help so actively in providing urgently needed relief to the victims of the earthquake in Haiti. The Director-General has requested me to transmit to you her sincerest gratitude.

I would like to confirm that the funds were received in the WHO account and I am highly pleased to accept this generous contribution.

May I kindly request that the attached letter is transmitted to the children -and their parents- attending kindergartens which are member of your Association to thank them personally for their kind support.

Please accept, Sir, the assurance of my highest consideration.

Yours sincerely,

Dr Eric Laroche
Assistant Director-General
Health Action in Crises
