Dear Mr Yoshida,

**Additional contribution of the Japan Private Kindergarten Association to support
WHO's emergency health activities in Haiti**

I am writing to you in reference to the letter addressed to you and dated 25 March 2010 from Dr Eric Laroche, Assistant Director General for Health Action in Crises, regarding your contribution in support of WHO's emergency activities in response to the earthquake that struck Haiti in January 2010.

I should like to express our gratitude for the additional amount of US\$ 3 658.24 received in the WHO account from the Japan Private Kindergarten Association for activities in Haiti.

Once again, may I kindly request that you thank the members of your Association for their generous support.

Yours sincerely,

Mr Jukka Sailas
