Dear Mr Kagawa,

**Additional contribution from the Japan Private Kindergarten Association
in support of the World Health organization's (WHO)
Emergency health activities in Haiti**

I am writing in reference to the letter addressed to you and dated 25 March 2010 from Dr Eric Laroche, Assistant Director-General for Health Action in Crises, regarding your contribution in support of WHO's emergency health activities in response to the earthquake that struck Haiti in January 2010.

I should like to express our gratitude for the additional amount of US\$ 134.37 received in the WHO account from your Association to be used for WHO's activities in Haiti.

Once again, may I kindly request that you thank the members of your Association for their thoughtful and generous support.

Yours sincerely,

Dr Daniel López-Acuña
